Country house with project for the construction of a 143 m² house. Old country house of about 20 m², on a plot of more than 10,000 m², with the possibility of building an independent single-family home, in Jalón. The plot is located just 3 km from the town of Jalón, surrounded by nature, facing south and with good access. The plot is practically flat and has a project for the construction of a hou [...]
